From Father Kasel

Praised be Jesus Christ through Mary!

Dear Brothers and Sisters in Christ Jesus,

The month of January is dedicated to devotion to the Most Holy Name of Jesus: let us reverently pray His Holy Name and make reparation to our good Lord for the many times that His Name is spoken with irreverence, ingratitude and hatred!

On January 22, our nation will commemorate the 53rd anniversary of the fateful *Roe v. Wade* United States Supreme Court decision that permitted the practice of abortion in our country. While we rejoice that this gravely wrong Supreme Court decision was overturned on June 24, 2022, we must continue to pray fervently for conversion of heart toward love for the gift human life, especially here in Minnesota. The act of abortion is contrary to will and law of God. Our good Lord gives human life to individual persons, beginning at conception, and only He has the authority to determine the timing of death for a human person.

Here in Minnesota, a lawsuit was introduced in November, 2024, presenting a compelling case that leaders in our state of Minnesota have cooperated with abortion providers to coerce women to undergo unwanted abortions. You can find full details here: <https://stopcoercedabortions.com/>

The stories of women coerced to have an abortion, and there being no one to help them resist an unwanted abortion, are shocking and heart-rending. Above all, let us pray for the success of this legal action, so that abortion is no longer a part of our state and nation.

The practice of abortion in our country and world puts our society and culture against God and His plan for the human family. In light of this reality, we are called to provide our voice to our unborn brothers and sisters and to all in our world whose lives and God-given dignity are rejected.

Out of the abundance of His Mercy, our good Lord's seeks to heal the wounds of abortion, especially those who have been most affected by abortion. Jesus desires that we all work with Him to help hearts receive His love and mercy after abortion. He desires to forgive and heal - which will stop the cycle of misery and death that surrounds that act of abortion.

I include this week a collection of quotes from various Catholic sources about the goodness of human life:

On Family, Right to Life and opposing Abortion and Surrogacy - Pope Leo XIV:

Despite its centrality, the institution of the family faces two crucial challenges today. On the one hand, there is a worrying tendency in the international system to neglect and underestimate its fundamental social role, leading to its progressive institutional marginalization. On the other hand, we cannot ignore the growing and painful reality of fragile, broken and suffering families, afflicted by internal difficulties and disturbing phenomena, including domestic violence. The vocation to love and to life, which manifests itself in an important way in the exclusive and indissoluble union between a woman

an and a man, implies a fundamental ethical imperative for enabling families to welcome and fully care for unborn life. This is increasingly a priority, especially in those countries that are experiencing a dramatic decline in birth rates. Life, in fact, is a priceless gift that develops within a committed relationship based on mutual self-giving and service.

In light of this profound vision of life as a gift to be cherished, and of the family as its responsible guardian, we categorically reject any practice that denies or exploits the origin of life and its development. Among these is abortion, which cuts short a growing life and refuses to welcome the gift of life. In this regard, the Holy See expresses deep concern about projects aimed at financing cross-border mobility for the purpose of accessing the so-called "right to safe abortion." It also considers it deplorable that public resources are allocated to suppress life, rather than being invested to support mothers and families. The primary objective must remain the protection of every unborn child and the effective and concrete support of every woman so that she is able to welcome life.

Likewise, there is the practice of surrogacy. By transforming gestation into a negotiable service, this violates the dignity both of the child, who is reduced to a "product," and of the mother, exploiting her body and the generative process, and distorting the original relational calling of the family.¹

WORDS TO LIVE BY:

“The sweet Name of Jesus produces in us holy thoughts, fills the soul with noble sentiments, strengthens virtue, begets good works, and nourishes pure affection. All spiritual food leaves the soul dry, if it contain not that penetrating oil, the Name Jesus.” *St. Bernard of Clairvaux*

“If thou art bound down by sickness, if sorrows weary thee, if thou art trembling with fear, invoke the Name of Jesus.” *St. Lawrence Justinian*

“Are you troubled? Think but of Jesus - speak but the Name of Jesus, the clouds disperse and peace descends anew from Heaven. Have you fallen into sin? So that you fear death? ...invoke the Name of Jesus and you will soon feel life returning. No obduracy of the soul, no weakness, no coldness of heart can resist this Holy Name - there is no heart which will not soften and open in tears at this Holy Name.” *St. Bernard of Clairvaux*

“The Name of Jesus is the glory of preachers because the shining splendor of that Name causes His Word to be proclaimed and heard. And how do you think such an immense, sudden and dazzling light of Faith came into the world, if not because Jesus was preached? Was it not through the brilliance and sweet savor of this Name that God called us into His marvelous Light?” *St. Bernardine of Siena*

(From Father Kasek - from page 1)

On the Fundamental Right to Life - Pope Benedict XVI:

God's love does not differentiate between the newly conceived infant still in his or her mother's womb and the child or young person, or the adult and the elderly person. God does not distinguish between them because he sees an impression of his own image and likeness (Gn 1:26) in each one.²

[L]ife is the first good received from God and is fundamental to all others; to guarantee the right to life for all and in an equal manner for all is the duty upon which the future of humanity depends.³

U.S. Conference of Catholic Bishops:

[T]he failure to protect and defend life in its most vulnerable stages renders suspect any claims to the 'rightness' of positions in other matters affecting the poorest and least powerful of the human community. If we understand the human person as the "temple of the Holy Spirit" – the living house of God – then these latter issues fall logically into place as the crossbeams and walls of that house. All direct attacks on innocent human life, such as abortion and euthanasia, strike at the house's foundation. These directly and immediately violate the human person's most fundamental right – the right to life. Neglect of these issues is the equivalent of building our house on sand. Such attacks cannot help but lull the social conscience in ways ultimately destructive of other human rights.⁴

Abortion - Pope Benedict XVI:

Children truly are the family's greatest treasure and most precious good. Consequently, everyone must be helped to become aware of the intrinsic evil of the crime of abortion. In attacking human life in its very first stages, it is also an aggression against society itself. Politicians and legislators, therefore, as servants of the common good, are duty bound to defend the fundamental right to life, the fruit of God's love.⁵

U.S. Conference of Catholic Bishops:

Among important issues involving the dignity of human life with which the Church is concerned, abortion necessarily plays a central role. Abortion, the direct killing of an innocent human being, is always gravely immoral (The Gospel of Life, no. 57); its victims are the most vulnerable and defenseless members of the human family. It is imperative that those who are called to serve the least among us give urgent attention and priority to this issue of justice.⁶

Embryonic Stem Cell Research - U.S. Conference of Catholic Bishops:

We must help those who are suffering, but we may not use a good end to justify an evil means. Moreover, treatments that do not require destroying any human life are at least as promising – they are already healing some conditions, and are far closer to healing other conditions than any approach using embryonic stem cells. The choice is not between science and ethics, but between science that is ethically responsible and science that is not.⁷

Euthanasia & Assisted Suicide - Pope Benedict XVI: The freedom to kill is not true freedom, but a tyranny that reduces the human being to slavery.⁸

More and more lonely elderly people exist in big cities, even in situations of serious illness and close to death. In such situations, the pressure of euthanasia is felt, especially when a utilitarian vision of the person creeps in. In this regard,

PRO-LIFE QUOTES:

"Given the breakdown in family life, the wholesale attack on innocent and defenseless human lives, and the violation of the integrity of the union of marriage in our society, the call to the martyrdom of witness is ever more urgent." *Cardinal Burke*

"If the bringing of children into the world is today an economic burden, it is because the social system is inadequate; and not because God's law is wrong. Therefore the State should remove the causes of that burden. The human must not be limited and controlled to fit the economic, but the economic must be expanded to fit the human." *Archbishop Fulton J. Sheen*

"The so-called right to abortion has portrayed the GREATEST OF GIFTS—A CHILD—as a competitor, an intrusion, and an inconvenience." *St. Mother Teresa of Calcutta*

"...at the origin of every human being there is not something haphazard or chance, but a loving plan of God." *Pope Emeritus Benedict XVI*

NEWS FROM SAINT MICHAEL AND SAINT PAUL

(from page 3)

I take this opportunity to reaffirm once again the firm and constant ethical condemnation of every form of direct euthanasia, in accordance with the Church's centuries-old teaching.⁹

U.S. Conference of Catholic Bishops:

Euthanasia and assisted suicide can appear a reasonable and even compassionate solution to the suffering of individuals and families struggling with illness or the dying process. Yet these are not real solutions – they do not solve human problems, but only take the lives of those most in need of unconditional love.¹⁰

March for Life—January 22: Please join thousands of Minnesotans at the State Capitol at noon to 1pm in St. Paul for the March for Life on Thursday, January 22. While Roe v. Wade has been overturned, Minnesota has since enacted extreme abortion laws, allowing abortion for any reason throughout pregnancy. The March for Life mourns the lives lost as well as the women and families who have suffered due to abortion. We march to declare that women deserve better than abortion. We also march to celebrate God's precious gift of life. There is a bus going from Rochester to the March. It will leave from Hy-Vee North (500 37th St NW, Rochester) at 8:30am and return around 3:30. The bus will also stop at Kwik Trip, Zumbrota, if there are people interested in riding. Cost is \$10.
