From Father Kasel

Praised be Jesus Christ through Mary!

Dear Brothers and Sisters in Christ Jesus,

The month of October is dedicated to growing in devotion to the Holy Rosary. The past Thursday (October 22), we celebrated the feast of Pope St. John Paul II. During his long pontificate (nearly 27 full years), St. John Paul II energetically taught and preached the Gospel. One of his great contributions to Church was his teaching on praying the Rosary. In 2002 he released the Apostolic Letter: *Rosarium Virginis Mariae* (The Rosary of the Virgin Mary). This week I share with you a portion of the Apostolic Letter and encourage you to pray the Rosary with fervent love in union with the Immaculate Heart of Mary, and to ask for the help of St. John Paul II! I also encourage you to read the whole Apostolic Letter.

"The Rosary of the Virgin Mary, which gradually took form in the second millennium under the guidance of the Spirit of God, is a prayer loved by countless Saints and encouraged by the Magisterium. Simple yet profound, it still remains, at the dawn of this third millennium, a prayer of great significance, destined to bring forth a harvest of holiness. It blends easily into the spiritual journey of the Christian life, which, after two thousand years, has lost none of the freshness of its beginnings and feels drawn by the Spirit of God to 'set out into the deep' (*duc in altum!*) in order once more to proclaim, and even cry out, before the world that Jesus Christ is Lord and Savior, 'the way, and the truth and the life' (*Jn 14:6*), 'the goal of human history and the point on which the desires of history and civilization turn'. (*Gaudium et Spes*, 45)

The Rosary, though clearly Marian in character, is at heart a Christocentric prayer. In the sobriety of its elements, it has all the depth of the Gospel message in its entirety, of which it can be said to be a compendium. (*Marialis Cultus* 42) It is an echo of the prayer of Mary, her perennial *Magnificat* for the work of the redemptive Incarnation which began in her virginal womb. With the Rosary, the Christian people sits at the school of Mary and is led to contemplate the beauty on the face of Christ and to experience the depths of his love. Through the Rosary the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer.

**The Popes and the Rosary:** Numerous predecessors of mine attributed great importance to this prayer. Worthy of special note in this regard is Pope Leo XIII who on 1 September 1883 promulgated the Encyclical *Supremi Apostolatus Officio*, (*Acta Leonis XIII*, 3) a document of great worth, the first of his many statements about this prayer, in which he proposed the Rosary as an effective spiritual weapon against the evils afflicting society. Among the more recent Popes who, from the time of the Second Vatican Council, have distinguished themselves in promoting the Rosary I would mention Blessed John XXIII (see *Il religioso convegno*) and above all Pope Paul VI, who in his Apostolic Exhortation *Marialis Cultus* emphasized, in the spirit of the Second Vatican Council, the Rosary's evangelical character and its Christocentric inspiration. I myself have often encouraged the frequent recitation of the Rosary. From my youthful years this prayer has held an important place in my spiritual life. I was powerfully reminded of this during my recent visit to Poland, and in particular at the Shrine of Kalwaria. The Rosary has accompanied me in moments of joy and in moments of difficulty. To it I have entrusted any number of concerns; in it I have always found

comfort. Twenty-four years ago, on 29 October 1978, scarcely two weeks after my election to the See of Peter, I frankly admitted: 'The Rosary is my favorite prayer. A marvelous prayer! Marvelous in its simplicity and its depth. [...] It can be said that the Rosary is, in some sense, a prayer-commentary on the final chapter of the Vatican II. Constitution *Lumen Gentium*, a chapter which discusses the wondrous presence of the Mother of God in the mystery of Christ and the Church. Against the background of the words *Ave Maria* the principal events of the life of Jesus Christ pass before the eyes of the soul. They take shape in the complete series of the joyful, sorrowful and glorious mysteries, and they put us in living communion with Jesus through – we might say – the heart of his Mother. At the same time our heart can embrace in the decades of the Rosary all the events that make up the lives of individuals, families, nations, the Church, and all mankind. Our personal concerns and those of our neighbor, especially those who are closest to us, who are dearest to us. Thus the simple prayer of the Rosary marks the rhythm of human life'. (Angelus, St. John Paul, 1978)

With these words, dear brothers and sisters, I set the first year of my Pontificate within the daily rhythm of the Rosary. Today, as I begin the twenty-fifth year of my service as the Successor of Peter, I wish to do the same. How many graces have I received in these years from the Blessed Virgin through the Rosary: *Magnificat anima mea Dominum!* I wish to lift up my thanks to the Lord in the words of his Most Holy Mother, under whose protection I have placed my Petrine ministry: *Totus Tuus!* (continued on page 3)

### Pro-Life Quote

"Not even one abortion per week is acceptable. Not one per month. Not one per year. Not one in our lifetime...The dignity of the human person begins at the moment of conception, not at birth. The dignity, as recognized by the signers of the Declaration of Independence, is bestowed by the Creator, and no one has the right to destroy innocent unborn life." *Archbishop Samuel Aquila*

### Words to Live By:

If you ever feel distressed during your day, call upon our Lady, just say this simple prayer: 'Mary, Mother of Jesus, please be a mother to me now.' I must admit, this prayer has never failed me." *St. Mother Teresa*  
"O sinner, be not discouraged, but have recourse to Mary in all your necessities. Call her to your assistance, for such is the Divine Will that she should help in every kind of necessity." *St. Basil the Great*  
"If you invoke the Blessed Virgin when you are tempted, she will come at once to your help, and Satan will leave you." *St. John Vianney*  
""Let us run to Mary, and, as her little children, cast ourselves into her arms with a perfect confidence." *St. Francis de Sales*  
"The Son of God became man for our salvation but only in Mary and through Mary." *St. Louis Marie de Montfort*  
"The world being unworthy to receive the Son of God directly from the hands of the Father, He gave His Son to Mary for the world to receive Him from her." *St. Augustine*  
"Even while living in the world, the Heart of Mary was so filled with motherly tenderness and compassion for men that no one ever suffered so much for their own pains, as Mary suffered for the pains of her children." *St. Jerome*

**Our program is open for all of our parishioners to attend and it will benefit all ages!**

**(From Father Kasel... from page 1) A path of contemplation:** But the most important reason for strongly encouraging the practice of the Rosary is that it represents a most effective means of fostering among the faithful that *commitment to the contemplation of the Christian mystery* which I have proposed in the Apostolic Letter *Novo Millennio Ineunte* as a genuine 'training in holiness': 'What is needed is a Christian life distinguished above all in the *art of prayer*'. Inasmuch as contemporary culture, even amid so many indications to the contrary, has witnessed the flowering of a new call for spirituality, due also to the influence of other religions, it is more urgent than ever that our Christian communities should become 'genuine schools of prayer'.

The Rosary belongs among the finest and most praiseworthy traditions of Christian contemplation. Developed in the West, it is a typically meditative prayer, corresponding in some way to the 'prayer of the heart' or 'Jesus prayer' which took root in the soil of the Christian East.

**Prayer for peace and for the family:** A number of historical circumstances also make a revival of the Rosary quite timely. First of all, the need to implore from God the *gift of peace*. The Rosary has many times been proposed by my predecessors and myself as a prayer for peace. At the start of a millennium which began with the terrifying attacks of 11 September 2001, a millennium which witnesses every day innumerable parts of the world fresh scenes of bloodshed and violence, to rediscover the Rosary means to immerse oneself in contemplation of the mystery of Christ who 'is our peace', since he made 'the two of us one, and broke down the dividing wall of hostility' (*Eph 2:14*).

Consequently, one cannot recite the Rosary without feeling caught up in a clear commitment to advancing peace, especially in the land of Jesus, still so sorely afflicted and so close to the heart of every Christian.

A similar need for commitment and prayer arises in relation to another critical contemporary issue: *the family*, the primary cell of society, increasingly menaced by forces of disintegration on both the ideological and practical planes, so as to make us fear for the future of this fundamental and indispensable institution and, with it, for the future of society as a whole. The revival of the Rosary in Christian families, within the context of a broader pastoral ministry to the family, will be an effective aid to countering the devastating effects of this crisis typical of our age.

**'Behold, your Mother!'** (*Jn 19:27*): Many signs indicate that still today the Blessed Virgin desires to exercise through this same prayer that maternal concern to which the dying Redeemer entrusted, in the person of the beloved disciple, all the sons and daughters of the Church: 'Woman, behold your son!' (*Jn 19:26*). (continued on page 4)

(From Father Kasel ... from page 3) Well-known are the occasions in the nineteenth and the twentieth centuries on which the Mother of Christ made her presence felt and her voice heard, in order to exhort the People of God to this form of contemplative prayer. I would mention in particular, on account of their great influence on the lives of Christians and the authoritative recognition they have received from the Church, the apparitions of Lourdes and of Fatima; these shrines continue to be visited by great numbers of pilgrims seeking comfort and hope."

**Safe Environment:** The Archdiocese of St. Paul/Minneapolis requires all volunteers who interact with minors or vulnerable adults to complete the Essential 3 (background check, Code of Conduct, and VIRTUS training) before beginning their service, and to renew every three years while serving. Please contact the Safe Environment Coordinator for details on how to complete the Essential 3, or do updates.

**Report Abuse:** If you or someone you know has been sexually abused, your first call should be to law enforcement.
