## From Father Kasel

Praised be Jesus Christ through Mary!

Dear Brothers and Sisters in Christ Jesus,

The month of October is dedicated to growing in devotion to the Holy Rosary. Saturday of this weekend, we celebrated the feast of Pope St. John Paul II. During his long pontificate (nearly 27 full years), St. John Paul II energetically taught and preached the Gospel. One of his great contributions to Church was his teaching on praying the Rosary. In 2002 he released the Apostolic Letter: *Rosarium Virginis Mariae* (The Rosary of the Virgin Mary). This week I share with you a portion of the Apostolic Letter and encourage you to pray the Rosary with very great love and to ask for the help of St. John Paul II! I encourage you to read the whole Letter.

“The Rosary of the Virgin Mary, which gradually took form in the second millennium under the guidance of the Spirit of God, is a prayer loved by countless Saints and encouraged by the Magisterium. Simple yet profound, it still remains, at the dawn of this third millennium, a prayer of great significance, destined to bring forth a harvest of holiness. It blends easily into the spiritual journey of the Christian life, which, after two thousand years, has lost none of the freshness of its beginnings and feels drawn by the Spirit of God to ‘set out into the deep’ (*duc in altum!*) in order once more to proclaim, and even cry out, before the world that Jesus Christ is Lord and Savior, ‘the way, and the truth and the life’ (*Jn 14:6*), ‘the goal of human history and the point on which the desires of history and civilization turn’. (*Gaudium et Spes*, 45)

The Rosary, though clearly Marian in character, is at heart a Christocentric prayer. In the sobriety of its elements, it has all the *depth of the Gospel message in its entirety*, of which it can be said to be a compendium. (*Marialis Cultus* 42) It is an echo of the prayer of Mary, her perennial *Magnificat* for the work of the redemptive Incarnation which began in her virginal womb. With the Rosary, the Christian people *sits at the school of Mary* and is led to contemplate the beauty on the face of Christ and to experience the depths of his love. Through the Rosary the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer.

**The Popes and the Rosary:** Numerous predecessors of mine attributed great importance to this prayer. Worthy of special note in this regard is Pope Leo XIII who on 1 September 1883 promulgated the Encyclical *Supremi Apostolatus Officio*, (*Acta Leonis XIII*, 3) a document of great worth, the first of his many statements about this prayer, in which he proposed the Rosary as an effective spiritual weapon against the evils afflicting society. Among the more recent Popes who, from the time of the Second Vatican Council, have distinguished themselves in promoting the Rosary I would mention Blessed John XXIII (see *Il religioso convegno*) and above all Pope Paul VI, who in his Apostolic Exhortation *Marialis Cultus* emphasized, in the spirit of the Second Vatican Council, the Rosary's evangelical character and its Christocentric inspiration. I myself have often encouraged the frequent recitation of the Rosary. From my youthful years this prayer has held an important place in my spiritual life. I was powerfully reminded of this during my recent visit to Poland, and in particular at the Shrine of Kalwaria. The Rosary has accompanied me in moments of joy and in moments of difficulty. To it I have entrusted any number of concerns; in it I have always found comfort. Twenty-four years ago, on 29 October 1978, scarcely two weeks after my election to the See of Peter, I frank-

Confession 8am and Mass 8:30am

ly admitted: ‘The Rosary is my favorite prayer. A marvelous prayer! Marvelous in its simplicity and its depth. [...] It can be said that the Rosary is, in some sense, a prayer-commentary on the final chapter of the Vatican II Constitution *Lumen Gentium*, a chapter which discusses the wondrous presence of the Mother of God in the mystery of Christ and the Church. Against the background of the words *Ave Maria* the principal events of the life of Jesus Christ pass before the eyes of the soul. They take shape in the complete series of the joyful, sorrowful and glorious mysteries, and they put us in living communion with Jesus through – we might say – the heart of his Mother. At the same time our heart can embrace in the decades of the Rosary all the events that make up the lives of individuals, families, nations, the Church, and all mankind. Our personal concerns and those of our neighbor, especially those who are closest to us, who are dearest to us. Thus the simple prayer of the Rosary marks the rhythm of human life.’ (Angelus, St. John Paul, 1978)

With these words, dear brothers and sisters, I set the *first year of my Pontificate* within the daily rhythm of the Rosary. Today, as I begin the *twenty-fifth year of my service as the Successor of Peter*, I wish to do the same. How many graces have I received in these years from the Blessed Virgin through the Rosary: *Magnificat anima mea Dominum!* I wish to lift up my thanks to the Lord in the words of his Most Holy Mother, under whose protection I have placed my Petrine ministry: *Totus Tuus!*

**A path of contemplation:** But the most important reason for strongly encouraging the practice of the Rosary is that it represents a most effective means of fostering among the faithful that *commitment to the contemplation of the Christian mystery* (continued on page 4)

### Our Lord's Passion — From a letter by St. Paul of the Cross

"It is very good and holy to consider the Passion of our Lord and to meditate on it, for by this sacred path we reach union with God. In this most holy school we learn true Wisdom, for it was there that all the saints learned it. Indeed when the Cross of our dear Jesus has planted its roots more deeply in your hearts, then will you rejoice: "To suffer and not to die," or, "Either to suffer or to die," or better: "Neither to suffer, nor to die, but only to turn perfectly to the Will of God."

Love is a unifying Virtue which takes upon itself the torments of its beloved Lord. It is a Fire reaching through to the inmost soul. It transforms the lover into the one loved. More deeply, love intermingles with grief, and grief with love, and a certain blending of love and grief occurs. They become so united that we can no longer distinguish love from grief nor grief from love. Thus the loving heart rejoices in its sorrow and exults in its grieving love.

Therefore, be constant in practicing every virtue, and especially in imitating the patience of our dear Jesus, for this is the summit of pure Love. Live in such a way that all may know that you bear outwardly as well as inwardly the image of Christ crucified, the model of all gentleness and Mercy. For if a man is united inwardly with the Son of the living God, he also bears His likeness outwardly by his continual practice of heroic goodness, and especially through a patience reinforced by courage, which does not complain either secretly or in public. Conceal yourselves in Jesus crucified, and hope for nothing except that all men be thoroughly converted to His Will. When you become true lovers of the Crucified, you will always celebrate the feast of the Cross in the inner temple of the soul, bearing all in silence and not relying on any creature. Since festivals ought to be celebrated joyfully, those who love the Crucified should honor the feast of the Cross by enduring in silence with a serene and joyful countenance, so that their suffering remains hidden from men and is observed by God alone. For in this feast there is always a solemn banquet, and the food presented is the Will of God, exemplified by the Love of our crucified Christ."

## NEWS FROM SAINT MICHAEL AND SAINT PAUL

(from page 1) which I have proposed in the Apostolic Letter *Novo Millennio Ineunte* as a genuine 'training in holiness': 'What is needed is a Christian life distinguished above all in the *art of prayer*'. Inasmuch as contemporary culture, even amid so many indications to the contrary, has witnessed the flowering of a new call for spirituality, due also to the influence of other religions, it is more urgent than ever that our Christian communities should become 'genuine schools of prayer'.

The Rosary belongs among the finest and most praiseworthy traditions of Christian contemplation. Developed in the West, it is a typically meditative prayer, corresponding in some way to the 'prayer of the heart' or 'Jesus prayer' which took root in the soil of the Christian East.

**Prayer for peace and for the family:** A number of historical circumstances also make a revival of the Rosary quite timely. First of all, the need to implore from God *the gift of peace*. The Rosary has many times been proposed by my predecessors and myself as a prayer for peace. At the start of a millennium which began with the terrifying attacks of 11 September 2001, a millennium which witnesses every day innumerable parts of the world fresh scenes of bloodshed and violence, to rediscover the Rosary means to immerse oneself in contemplation of the mystery of Christ who 'is our peace', since he made 'the two of us one, and broke down the dividing wall of hostility' (Eph 2:14). Consequently, one cannot recite the Rosary without feeling caught up in a clear commitment to advancing peace, especially in the land of Jesus, still so sorely afflicted and so close to the heart of every Christian.

A similar need for commitment and prayer arises in relation to another critical contemporary issue: *the family*, the primary cell of society, increasingly menaced by forces of disintegration on both the ideological and practical planes, so as to make us fear for the future of this fundamental and indispensable institution and, with it, for the future of society as a whole. The revival of the Rosary in Christian families, within the context of a broader pastoral ministry to the family, will be an effective aid to countering the devastating effects of this crisis typical of our age.

**Bi-Parish Mission Talk:** Plan now to attend Bi-Parish Mission talk, by Fr. David Gunter, MIC in the evenings of November 14-16, 2022. Fr. Gunter will also speak at all the Holy Masses on November 12 and 13. More details next weekend.

### World Mission Sunday Second Collection -October 22-23, 2022

"You shall be my witnesses" (Acts 1:8) World Mission Sunday is very special this year as the Society for the Propagation of the Faith is observing 200 years of supporting over 1,100 struggling dioceses worldwide. And the foundress, Bl. Pauline Jaricot was also beatified this year. Please join our sisters and brothers in prayer and give what you are able, to support mission dioceses throughout the world.

**'Behold, your Mother!'** (Jn 19:27): Many signs indicate that still today the Blessed Virgin desires to exercise through this same prayer that maternal concern to which the dying Redeemer entrusted, in the person of the beloved disciple, all the sons and daughters of the Church: 'Woman, behold your son!' (Jn 19:26). Well-known are the occasions in the nineteenth and the twentieth centuries on which the Mother of Christ made her presence felt and her voice heard, in order to exhort the People of God to this form of contemplative prayer. I would mention in particular, on account of their great influence on the lives of Christians and the authoritative recognition they have received from the Church, the apparitions of Lourdes and of Fatima; these shrines continue to be visited by great numbers of pilgrims seeking comfort and hope."

Through the intercession of Our Lady of the Rosary, St. Joseph, St. Michael, St. Paul, and St. John Paul II, may God bless you, our families, parishes, our Archdiocese and the whole Church!

In Christ through Mary,

Fr. Kasel
